

ALEX REYMUNDO - Comic/Writer/Actor/Producer and Cool Dude

Best known as one of the “**Original Latin Kings of Comedy**,” alongside **George Lopez, Cheech Marin, Paul Rodriguez** and **Joey Medina**, Reymundo has seen a whirlwind of success in the past few years.

Alex just concluded a development deal with **Showtime** that saw his first one hour comedy special, “**Hick-Spanic**,” premiere on **Showtime** and then again on **Comedy Central**. Reymundo shot his stand-up show before a live audience in Albuquerque, NM at the National Hispanic Cultural Center, rocking the house with his uniquely branded style of comedy, half-Latino and half-Hillbilly, all **Hick-Spanic**. Reymundo shares his perspective witt of growing up as an immigrant in a large Mexican family in Texas, to then marrying a Blond Haired Blue-eyed Southern Belle form Kentucky.

Home Media & Latin DVD Awards just presented "**Hick-Spanic**" with "*Best Latin Stand-up DVD of the year 07*", edging out nominations of George Lopez, Carlos Mencia & Gabriel Iglesias.

Alex also Executive produced and hosted the follow up to the Latin Kings of Comedy, “**The Original Latin Divas of Comedy**” and “**Payaso Comedy Slam**.” Both specials premiered on **Showtime** and **Comedy Central**.

Currently performing on a two year nationwide tour with old buddy and fellow Texan **Ron "tater salad" White**, who is best known from the hugely successful “**Blue Collar Comedy Tour**,” Reymundo brings to this stage the humor of his southern blue collar roots with the drive of a Latino immigrant for a clash of cultures which is ultimately hysterical and proving that no audience is beyond his reach.

This bilingual performer has lent his lightness to many corporations, associations, and products, all the while, keeping his eye on the moral responsibility to his community. His feature credits include, "**The Movement**," "**El Matador**," animated feature “**Cars**," "**Permanent Vacation**,” "**The Original Latin Kings of Comedy**," “**Hick-Spanic, Live in Albuquerque**” “**The Payaso Comedy Slam**”, “**The Original Latin Divas of Comedy**”, and **P. Diddy's "Bad Boys of Comedy"**.
